

SWHistler March 2010

29th March meeting at KCS Old Boys Motspur Park 7.30pm

This will be a CRDA session at which the topic will be managing Captains and Coaches.

Bob Ockenden has invited Rowly Williams to come along and give the Captains and Coaches perspective. Rowly is currently the kicking coach at Bath RFC. He will also give a sales pitch on his website "The Team of Three"

Blue Cards

Please can you make sure that you return all your blue cards for each match you do to Phil Dimes (new supply of cards available at meetings).

You can now go onto the website and complete them there (probably much easier than filling in cards) It is most important that we get feedback on the clubs/schools, where not only we experience problems but also even if a club are really good because Phil awards points for each card and the best score will be rewarded somehow (suggestions?).

Re-appointments

If you are unavailable for any of the Saturdays/Sundays below or suddenly become available when at first you said you were unavailable, PLEASE do not contact Richard but please call the following members of the re-appointments team who are detailed below for the weekends they are covering.

Reappointments co-ordinators

27/28 Mar – Phil Dimes 07732 353735

3/4 April – Phil Dimes

National School Sevens 2010-

This is now taking place as this copy is circulated to you all. Eric again has done an excellent job of organising the event and a BIG THANKS goes to him.

IRB Aid Kit

Please if you have any unused kit rather than throwing it out could you please let Sarah Stanley have it (01372 270454 call her first to make arrangements about getting the Kit to her) so it can be passed on to good causes.

Red Cards

If you issue any red card for whatever reason the sending off report MUST GO TO PHIL DIMES ONLY.

Error! No text of specified style in document.

CRB-

As Phil is back in the fold please ensure you have your CRB up to date as Phil will do his best to get those wishing to do Junior Sevens tournaments which are coming up. DO the honourable thing.

Please note if you are not CRB cleared and you choose to do a local school or club game you are not covered by London Society insurance. You must make sure you are covered by the school/club but you will not be officially appointed by the Society to do this fixture. Any problems with this please contact Phil before accepting the match.

Website update

London Society website is up and running and it would be advisable if you could check it regularly for details of all meetings Central and Regional and any news that may need to be announced urgently.

Please note, John Durkin, our Regional Website IT manager has put details of the SWHistler and some photos of our referees in action on there for your perusal.

Quick note from Eric

John Durkin has added the regional quiz to the Website and there will be a prize for the winner to be presented at the March Regional meeting. Apologises there was an error in Question 24 it should have said South African captain NOT Australian. Sorry from Eric.

PS

If any of you referees have your PINK and YELLOW cards please post them to me as I unfortunately will not be at the meeting on the 29th, I will be at the Management meeting of the LSRFUR in London.

It will help as I will be calling a re-grading meeting with the committee before the next meeting of the SW on the 24th April and the A&G meeting in May.

If any of you referees want to make a representation to me that you should be considered for promotion, drop me an e-mail, thanks.

Phil Dimes SW Regional Manager

Copy by Phil Dimes (this month)

Edited by Phil Dimes

Any material for the SWHistler to Eric during the month preceding the next meeting, thanks.
